

Log Cabin Village Journal

Texans in the 1800s liked to keep journals about their many adventures. This is one way we know about life in the 19th century!

Please answer the following questions to help make a journal about your trip to Log Cabin Village.

1. Which cabin did you like the most?

2. What were some of the things that you saw in that cabin?

3. Name one chore that Texans in the 1800s had to complete:

4. How is the chore you listed in question #3 completed in 21st century Texas (now)?

5. One of the artifacts pictured on your first activity sheet was Sam Houston's ladder back chair. Imagine that you are this chair. Write a couple of sentences (as the chair) telling where you came from and how you feel when Sam Houston comes to visit.
