How do you feel the Friends of Log Cabin Village would benefit from your involvement on the board? *

I believe I can bring a multitude of services to FLCV through my background in history, non profits, media, as well as passion for historic sites. Log Cabin Village is a site for people of all ages and backgrounds. I want to continue to speak to our audience and have events that target specific age groups and interests.

What excites you most about this opportunity or mission? *

As stated above, LCV is a place for everybody. From the mom with her newborn enjoying the peace of the village, to the teacher with her rambunctious & excited classroom, to the couple who fondly remembers their visits to the village 40 years ago. Continuing to connect to each visitor who walks through the door and connecting their experience to the shared experience of the site and history of North Texas is a need and passion that must continue.
