How do you feel the Friends of Log Cabin Village would benefit from your involvement on the board? *

I can support the Friends by being involved in advocating for the Village, outreach, event planning, and fundraising. I can use my archives, historic preservation, and public history education to assist with research, education programs, and maintaining the Village property. I have time to devote to this organization and I am eager to contribute to my community.

What excites you most about this opportunity or mission? *

Being on the board would give me the opportunity to get more involved in the community, meet people who share my interest in history and preservation, and be part of a group that values the preservation of our heritage. The Village has a long history, and I would be grateful for the chance to learn from the people who have been taking care of it. It is one of the few immersive historic sites in the area so it is important to ensure it keeps operating for the public. Sites like this have a lot of potential for growth and I would love the chance to contribute to its future success.
