How do you feel the Friends of Log Cabin Village would benefit from your involvement on the board? *

I would love to bring any personal and professional experience I have to meet the needs of the organization. I have been committed to serving in my community for many years and would love to continue to do so to benefit Log Cabin Village in any way that I could be useful. I have experience in helping to develop policies and writing successful grants in a professional capacity. While I would be new to the organization, I am eager to learn how I might be able to help in other ways.

What excites you most about this opportunity or mission? *

As a lifelong Fort Worth resident, I have been visiting Log Cabin Village since I was a kid. Since having two daughters of my own, I have been able to share such a beloved community institution with them as well. I have been privileged to see it grow and change over the years, expanding to meet the needs of the surrounding community. I am excited to have the opportunity to be a part of it all.
